Caring Together
PO Box 12383
Albany, NY 12212-2383

To Whom it May Concern,

My name is Jason Jahnel. I am the COO of Jahnel Group, a software company located in Schenectady, NY. Every year my company runs an event called the JG Charity Spotlight where employees have the opportunity to share a charity that means something to them. To submit a charity for consideration, all an employee has to do is provide a write up on what the charity means to them and how they are connected to it. Employees then "vote" for the charities that speak to them by donating and Jahnel Group matches the total donated with contributions to the top three vote getters.

This year, one of our employees, Dan Schuldt, shared the heartfelt story of his connection to Caring Together. His wife, Bethany Schuldt, became involved with Caring Together when her mom was diagnosed with ovarian cancer in February 2016. Through working with Dan, many JGers have come to know his story and for this year's spotlight more than 25 people, myself among them, were moved to donate in support of the incredible work you are doing. Those donations earned Caring Together first place in this year's spotlight. On behalf of Dan, Beth and all those who donated, please find the enclosed check for \$10,000.

With respect and admiration,

Jason Jahnel
